The training is delivered by one of the trainers who works with Exeter Diocese safeguarding team. We have hosted these training sessions over the past few years, the training is excellent and it is an opportunity to ask questions.

The training session covers both the Basic Awareness and Foundation Modules for safeguarding children and vulnerable adults. The training is for PCC members and those who volunteer with various church activities.

Safeguarding training needs to be renewed every three years so if you are new to a role, or the previous training you undertook was over three years ago, please do book a place.
